Dear Client,

Enclosed with your invoice you will find your printed inspection report. General Fire & Safety has implemented a new electronic inspection report powered by BuildingReports' using digital reporting and a unique bar code technology. With this, we can provide accurate and comprehensive inspections that are fully documented in compliance with regulatory standards.

Your inspection report is delivered in real time and stored in a secure online database. Results are instantly retrievable 24/7 from any location for flexible property management. General Fire & Safety delivers device specific reports with more detail than any other system, including:

- **QR Codes – Scan QR Code for Quick Access to Reports**
- **Online Portal – Inspection & Testing with Date/Time of Test Verification for Accountability**
- **Paperless - Emailed Reports & Documents**
- **Executive Summary with Inspection Overview**
- **Device & Equipment Inventory & Warranty (aging) Report**
- **Colored Inspection Status Tags for Immediate One-Look Indication**
- **Discrepancy Report Showing Manufacturer Recalls & Industry Notifications**
- **Embedded Codes and Standards**
- **Proposed Solutions with Pricing and Repair Authorization**
- **DocDrive – Store Building Documents (Floor Plans, Drawings, Pictures, Etc.)**

We are making it easy for you to stay in compliance! Just login, review your report, approve repairs, and have an audit trail of your inspections for up to 5 years. No more paper, no more worries. Unmatched accessibility puts your inspection reports at your fingertips to satisfy AHJs, Insurance Providers, and other facility management.

Additionally, you can now get fast and easy access to your inspection reports by simply scanning a special QR code on your system with your mobile device. You simply scan the QR code and select which report you would like to view.
